INTERIOR DEEP CLEAN ADD ONS

ODOUR REMOVAL STARTING @ \$99

Removal of tobacco, pet odours, musty air, food smells, and more, this will break down, and eliminate odour molecules from both the air, and surfaces of your vehicle. Added to deep clean only

INTERIOR PROTECTION STARTING @ \$100/ROW

Protect your fabrics & leather from dirt, spills, UV, oils, and grime. Can be applied to seats, and carpet mats protecting them from stains and spills.

PET HAIR / EXCESSIVE DIRT STARTING @ \$50

Pet hair, excessive dirt, staining, sand, garbage, may have additional charges starting @ \$50 & up

LEVEL 1 BASIC EXTERIOR \$99.99

Enjoy a comprehensive, scratch-free hand wash for your vehicle's paint, ensuring a spotless and shiny finish.

- Snow foam pre wash
- Extensive 2 bucket hand wash
- Wheel, tires, and wheel arches cleaned
- Plush microfibre towels, and blow air used to dry vehicle
- Tires dressed
- Sealant applied to paint

LEVEL 2 FULL EXTERIOR \$219.99

A complete decontamination of the paint will remove brake dust, tar deposit, and leave your paint smooth as glass by removing embedded contaminants in your paint.

Once the paint is complete smooth and ready a sealant is applied for added shine and protection. Best for vehicles at least every 6 months

- Snow foam pre wash
- Scratch free wash using the 2 bucket method
- Wheels, tires, and wheel arches deep cleaned
- Door jambs & gas cap cleaned
- 3 stage decontamination of the paint
- Chemical decontamination removing industrial fallout, metallic contaminants
- Tar deposits removed
- Mechanical Decontamination with clay bar removing embedded contaminants for a smooth glass-like finish
- Plush microfibre towels, and blown air to dry vehicle
- Tires dressed
- Protective sealant applied to paint

EXTERIOR ADD ONS

HEADLIGHT RESTORE STARTING @ \$119.99

Restore your dull & faded headlights. This improves clarity, visibility, and most importantly safety. Finished with a ceramic coating for lasting durability

ENGINE BAY DETAILING STARTING @ \$79.99

Engine Bay is cleaned, and plastic surfaces are dressed and protected.

WINDSHIELD COATING STARTING @ \$99.99

A rain repellant window coating will provide a much better view of the road by keeping windows clean, and repelling water, increasing visibility in poor conditions. Can be applied to just windshield, or all windows.

PROTECTION ADD ONS

CERAMIC COATING WHEELS STARTING @ \$249

A ceramic wheel coating offers superior protection against brake dust, and build up, making your wheels super easy to clean & maintain

CONVERTIBLE TOP COATING STARTING @ \$249

Top is cleaned and protected with a water repellent coating

XPRESS MONTHLY MAINTENANCE

- Protection topper applied to paint
- Vacuum floors, seats, & trunk area
- Glass cleaned throughout
- Centre console, dash, door panels, wiped down
- Cupholders wiped out
- Leather wiped down

POLISHING & PAINT PROTECTION

GLOSS ENHANCEMENT POLISH

A great option for vehicles that are looking a little dull or don't require a full paint correction. This will enhance gloss, and brighten up the paint.

- Snow foam pre wash
- 2 Bucket scratch free hand wash
- Door jambs & gas cap cleaned
- Chemical decontamination removing iron contaminants, and tar deposits
- Clay-bar removing remaining embedded contaminants leaving the paint with a smooth, glass like finish
- Plush microfibre towels, and filtered blown air to dry vehicle
- Gloss enhancement polish of paint
- High gloss sealant applied to paint (1 YEAR ceramic coating upgrade available)

LEVEL 1 CORRECTION SINGLE STAGE

A great introductory to paint correction to remove lighter swirls and scratches in the paint.

Perfect for daily driven vehicles, this removes an average 30-60% of swirls and scratches. To lock in that deep shine, a 12+ month ceramic coating is applied to the paint

- Snow foam pre wash
- 2 Bucket scratch free hand wash
- Door jambs & gas cap cleaned
- Chemical decontamination removing iron contaminants, and tar deposits
- Clay-bar removing remaining embedded contaminants leaving the paint with a smooth, glass like finish
- Plush microfibre towels, and filtered blown air to dry vehicle
- Single stage paint correction
- 12+ month ceramic coating applied to paint (3-10 year upgrade available)

LEVEL 2 CORRECTION TWO STAGE

If you're looking for the best, deepest, mirror like reflections, this is the package for you.

Great for anyone who wants the best finish, or their vehicles has been heavily used with years of defects & scratches.

This will remove medium to heavier scratches, swirls & defects and we will work with you to achieve your desired result.

Average imperfection removal is 80%, with a 12+month ceramic coating locking in that shine.

- Snow foam pre wash
- 2 Bucket scratch free hand wash
- Door jambs & gas cap cleaned
- Chemical decontamination removing iron contaminants, and tar deposits
- Clay-bar removing remaining embedded contaminants leaving the paint with a smooth, glass like finish
- Plush microfibre towels, and filtered blown air to dry vehicle
- Two stage paint correction
- Compounding stage removing medium to heavy scratches & swirls
- Polishing stage to refine the finish
- 12+ month ceramic coating applied to paint (3-10 year upgrade available)
